

Danvers Kiwanis News for November 1st , 2011

Volume 4, Issue 4

By Ellie Ross

President Jesse James opened the meeting with the pledge of allegiance and according to his CELL PHONE it was exactly 12:15 PM. Last meeting there was a discussion that he started too early and several people were recorded as late!! He then asked Immed-Past-Pres Kay Maurice to read the invocation. She did a lovely job!! She reminded us in her reading of what Kiwanis is all about "Helping others".

GUESTS Dan B introduced Peg Saladay (pronounced as a homonym with "Holiday") and Glenn Boutchie. And Lt Gov Dan Bennett—these two NEW members covers his requirement of bringing in 2 new members, he issued a challenge to the rest of the Club to follow suite. Cr Lyons then introduced his guest Nancy DeMuth, who is our speaker today. Nancy is a PT at the Beverly Hospital. I forgot to introduce my guest, George McCarrier and no one picked me upon it, so I did not get fined!!!! Of course it not like George is an unknown factor !!

BIRTHDAYS The Birthday people in attendance today whose birthday we were celebrating are: Our Retired Library Manager, Doug Rendell, whose birthday was Oct 19, but hadn't been at meeting during the last couple of weeks to hear us sing to him; and Malcolm McLean who celebrates on the 6th of Nov. Mal asked to have Carmine sing to him and Carmine said for \$20.00 into the pot, which Mal refused. So, Kay came to the rescue and sang a solo to both Doug and Mal for no charge!! Great move Kay! And the boys appreciated your generosity. Doug gave a check to the Kiwanis Foundation in honor of his birthday; the check also included \$21.00 in honor of the 21 years he had the opportunity to serve the Town of Danvers as out Library Manager, I think he had that a little backwards, the Town Of Danvers was privilege to have Doug! Thank you Doug for your long service and dedication.

GAMES: The free lunch was drawn by our guest George McCarrier and he didn't pull my mane, so you know what that means!!! Instead he pull Myrna's name, so she got my free lunch! Myrna then pulled the first 50-50 ticket, worth \$326.00 and C. R. Lyons got a chance at the right card, he missed it. Then he pulled Kay's number and Kay lost as well ----- so the pot grows and grows!! Think about coming to see if you can win it before lucky Dave Townley's number is drawn, you know how lucky he is!!

Two tickets were pulled for free car washes at where else than Hartnetts'? Lucky winner were, Peg Saladay and Carmine.

The Power of PT

While we ate our lunch, our speaker had to take the podium to give her speech. She had misunderstood the process and need to be back to her office by 1 PM. Nancy DeMuth, Physical Therapist, Beverly Hospital (was Joe Palmers Therapist) spoke about managing pain through Physical Therapy and gave us all a questionnaire of True/False statements. The she asked for the people who selected either the True of the False and explained which one was the correct answer. It was an interesting discussion.

Club News

We had a great lunch of Salad, mixed string carrots and string beans, Mashed potatoes, chicken, broccoli, w/fettuccini Alfredo and sliced roast beef with mushroom gravy. If you missed this meeting you missed a good meal. There were assorted deserts of Grape nut custard, cheese cake and Vanilla pudding

Dave Townley needs help with the bugs program, so he is looking for volunteers. Can someone please step up to the Task Please?

Essex Aggie who would like to have a key club started at the school. The Teacher who contacted Kiwanis was a key club member during her years of high school and then while in College she was also key club member the college charter. They are going to do a reliability study to review the practicability of a club at the Aggie!

The sign for the Kiwanis Club will be erected soon at the MILE ONE stop of the Rail Trail that is now up and running. The sign will show the name, the location and times of meetings. Good advertising!

The Web site is being updated with the assistance from George Blanchette and C. R. Lyons, so take a peek and see how it is going.
