

**KIWANIS NEWS  
TUESDAY OCTOBER 4, 2016**

**LONG LIVE THE NEW PRESIDENT AND THE NEW LT.  
GOVERNOR**

**AND GOOD BYE TO YOU FORMER PRESIDENT**

**GUESS WHAT HAPPENED ON OCTOBER 4?**

You guessed it – in with the new and out with the old. Old President Susan turned the club over to new President Laurie.

And what happened? – the same thing that always happens – Dick Gilmore won the free lunch.

The afternoon started with a sit down meal of scrod – no one checked with me – I would have said chicke parm.

But it was okay...I was presented with a wonderful chicken caesar salad – best that I have ever had in my entire life – or at least that part of my entire life that consisted of last week. And we had really good ice cream for dessert.

We really didn't do too much other than induct the new President ...and the new President elect (Nancy)...and the new Secretary (same as the old Kay)... and the new Treasurer (same as the old Alan)...and the new Board (I'm baaaaack for one year).

We just ate and inducted and did...

## **HAPPY TWO DOLLARS**

**And here they are:**

First of all **Susan R.** was happy to pass the presidency to **Laurie** and **Laurie was happy** lead the club this year and doing some great things.

And along these lines **Carmine** wished **Laurie** luck and **Nancy** was happy that **Laurie** is president and that she gets to help.

And more along those lines, **Alan H** and **Kay** were happy for Susan's year...and **Kay** was also happy that I gave her change back from the \$500 dollar bill that she gave me.

And even more along those lines **Gayla** and **Dan** were happy for the induction of new officers.

And finally along those lines **Irene** was happy for a great years from President Susan and is giddy with excitement for this coming year with President Laurie.

And speaking of Irene, **Dick M.** was happy to be sitting next to her.

**Janet B**, a new official member and resident green thimb was happy for the Topsfield Fair.

**Jim T** was happy for a great summer in New Hampshire and to be back with his friends.

**Doug R.** was happy for a weekend in Maine.

And speking of Dougs – **Doug D** was happy for beautiful fall weather.

**Eileen** was happy for the the new **Danvers Dog Park**.

**Dick G** and **Tom F.** were happy that Brady is back.

**Jesse J** was happy that his wife Peggy was being inducted to the Club.

**Barb R** was happy for her daughter, granddaughter and great grandsons coming for a visit.

**Diane B** was ahppy for a great hospice walk and for a great organization – Care Dimensions.

And a couple sad dollars – **Bob M** was sad for the Pats loss to Buffalo (but it is okay now because..well see Dick G and Tom F above)... and **Med** was sad for the end of summer!

No one was happy or sad for the presidential campaign---or maybe everyone is just trying to forget.
