What do they say about a picture being worth a 1,000 words?nuf said ;-)

The photo of Myrna and John might be a little dark – but their friendly personalities ALWAYS shine through!

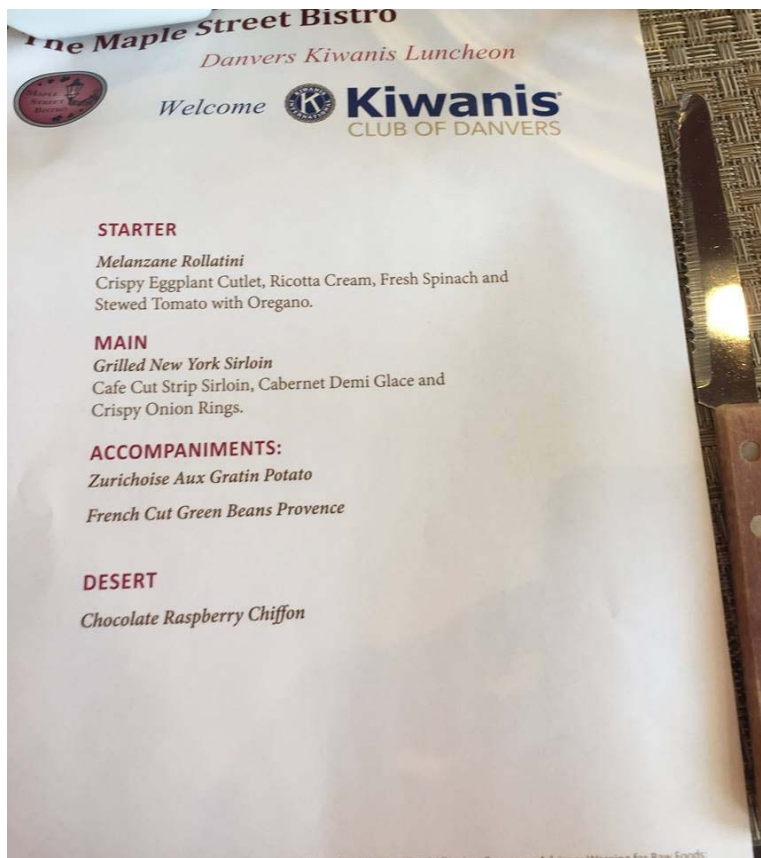

And CONGRATULATIONS to Ashley Meagher on opening her own Edward Jones Investment store front downtown (in the old Western Cycle location)

Here is Beth Ballas (our Essex Tech Key Club Advisor AND her student officers for the upcoming year)

AND, I know those of you who couldn't join us for lunch at Essex Tech really want to know how the meal was....well.....it did NOT disappoint

MY personal favorite – eggplant rollatini.....to die for!

AND, what's not to like about potatoes aux gratin?

AND for those of you with a sweet tooth – just LOOKING at this chocolate raspberry chiffon made you smile....

Bon Appetit....oh ya, we already did that!

....and thank you to President Laurie for organizing our lunch & our favorite PR girl, Gayla, for taking the photos!
