Scholarship Recipients

President Laurie opened the meeting by welcoming all the student scholarship recipients and their families. Doc Comeau said the blessing (written by Alan) keeping in mind the student recipients in the room. *'Please look favorable upon these students with whom we share a common thread of volunteerism and guide them through their future journeys in education at college. Keep them safe and successful'*

Laurie thanked Art for the work he and his 'team' did on the process of selecting the scholarship recipients. Art then went on to explain all the named scholarships and introduce each student recipient.....once he adjusted the microphone ;-)
